Joint Motion – Section 41.47(G1) for Tax Year 2024

1. Pursuant to Texas Property Tax Code Section 41.47(G1), TAD and the property owner or the property owner's designated agent file this joint motion disposing of the protests for the attached referenced properties. The terms of the disposition are included and the parties hereby request that the Chairman of the TARB issue an agreed order as provided in law. The order is appealable in the same manner as any other order issued by the board under this section.
2. A valid protest has been filed for property or properties identified in the documents attached to this joint motion. If no protest is on file, use this form as my protest before the protest deadline with the Tarrant Appraisal Review Board (TARB). The grounds of protests are value is over market value and/or value is unequal compared with other properties. The property owner or agent withdraws any and all protests on all grounds other than value is over market and value is unequal compared with other properties.
3. I am the owner or a Texas Licensed Property Tax Consultant for the listed properties. I have provided TAD with a valid Appointment of Agent form that designates I have the authority to represent the property owner (s) in property tax matters, including the right to file and present protest matters before the TARB. The facts set forth in the Notice of Protest are true and correct. I understand that all such documents will become part of the official government record and no additional evidence will be presented in this matter.
4. The property owner and/or agent waive their rights to any notice of the date and time of the hearing on the pertaining protests for the accounts listed below.
5. This document is the 41.47(G1) joint motion with the Chief Appraiser for all listed accounts below and no other motion is contemplated.
6. I request that the TARB or the Chair of the TARB, as applicable, issue an agreed order and that the agreed order be appealable in the same manner as any other order issued by the TARB under Section 41.47 of the Tax Code.
7. This sheet is a summary of informal negotiations that were done between the agent/owner and the residential department. Each account's value was considered with evidence provided by both properties.

Note: In determining the 41.47(G1) AGREED DISPOSITION VALUE, the protesting party provided evidence. A copy of the protesting party evidence is not maintained in the TAD records. The protesting party is responsible for this evidence. Signature on the line labeled "TAD – SIGNATURE OF APPROVAL", represents that TAD agrees with and joins in this motion.
